The studio was renamed "The Hastings Studio" in 1919. The large flags are the 48-star version from 1912-1959. Some of the small flags are the earlier 46-star 1908-1912 version. There is also a circled "12" in the photo. These details indicate the photo was likely taken in 1912, possibly during the 4th of July parade, when the new 48-star flag became official. Taken in 1919, likely for 4th of July Parade. Names written in ballpoint pen on front: Jason or Mason (boy), David (boy), and Louise P. (teacher?)
