The BHS is dedicated to the preservation and promotion of the history of Brookline. Since its founding in 1980, the organization has flourished, thanks to the dedication and generosity of our supporters. That support has taken many forms: hands-on work, materials, equipment use, time, financial donations, Christmas tree and calendar sales proceeds, gifts to our collections. The BHS is a volunteer charitable organization, serving our mission without any town or state funding.

Annual calendar year memberships are key to sustaining the organization. We would be grateful if you would consider supporting the BHS by becoming a member.

We welcome you to our public monthly meetings on the second Wednesday of the month at 7 PM, and to our open work party sessions on Wednesdays from 9 AM to noon. We hope to resume monthly open houses in the future. Please visit us to view our collections and our facility. Facility rentals are available for your event.

Thank you.

Please send your membership payment payable to the Brookline Historical Society to PO Box 595, Brookline, NH, 03033. Thank you for your support.
